NOTES RELATING TO A PARTIAL WITHDRAWAL CASH PAYMENT REQUEST:

1. No cash payment will be made unless the Fund has received the necessary proof of identity documents, generally a copy of your current driver's licence or passport. (Identification documents must be certified as a true copy by a JP, Postmaster, policeman, lawyer, accountant or other person qualified to certify such ID documents).
2. The "preserved" component of your benefit can not be paid to you unless a condition of release is satisfied. The "restricted non-preserved" component of your benefit can not be paid to you until you terminate your current employment or attain age 65.
3. The requested cash amount can not exceed your "unrestricted non-preserved" amount.
4. If the requested cash payment would result in balance of the member account being less than \$5,000 then the whole of the account will be paid out and your membership, including any insurance cover, will be cancelled.
5. Payments can not be made to a third party. If the payment is to be deposited directly into a bank account then the account must be in the member's name – either solely or jointly.
6. The payment amount will be deducted from your account in accordance with your nominated investment option selection not pro-rata from your current investment balance. If you have account invested in more than one option and wish to nominate the option to make your withdrawal from, please contact us on 08 9237 9707.

PRESERVATION AGE

Your 'preservation age' (ie the age at which your preserved super can be paid to you in cash if you have permanently retired from the workforce) depends on your date of birth:

Date of birth	Preservation age
Before 1 July 1960	55
Between 1 July 1960 and 30 June 1961	56
Between 1 July 1961 and 30 June 1962	57
Between 1 July 1962 and 30 June 1963	58
Between 1 July 1963 and 30 June 1964	59
After 30 June 1964	60

The law requires that preserved super stays invested in an approved superannuation arrangement until the member reaches preservation age. This could include transferring any preserved benefit from the Fund to another employer's fund, a personal super fund, a rollover fund or a retirement savings account in circumstances where you cease employment with an employer.
